

## Become a Member of the Friends Today!

The Friends of Rock Bridge Memorial State Park (FoRB) was organized in 1992 to promote the understanding, appreciation and enjoyment of the park and to aid in its preservation.

Today, more than 20 years later, FoRB is still helping the park. We have two work days a year to remove invasive plants and old fencing and to pick up trash. We created Nature Detectives, a pre-K program for children and their caregivers to ensure there is a next generation of park supporters. We fund small-scale capital projects, like solar power in the Rock Bridge Mills shelter for evening programs and the restoration of Hickam Cabin. We speak at city and county hearings when public or private development projects that might affect the park come up.

You can help the park by becoming a member and adding your time, talents and treasure to an organization respectful of the park's past, active in its present and dedicated to its future. Join now!

Benefits: a Monthly Newsletter, Voting Privileges, and for New Members, a Friends Park Patch and a Park Map!
